Dear Mr. Mohit,

We are extremely happy with our decision to use Agarwal Packers and Movers, in our move from Vellore to Chandigarh. The quality of service provided by the packing, loading and unloading teams were exemplary and excellent!

In regard to this service, I must make a special mention of Mohit Kaushik, shifting assistant, Agarwal Packers and Movers Ltd. He was extremely responsive and very courteous whenever we contacted him for an update on the location of our consignment. He would immediately call back to inform us and assure us of the progress. We found him to be very dedicated, responsible and competent. We are sure he is a great asset to his team and the organisation. Thank you Mr. Mohit and we wish you all the very best in your career!

Once again, thank u Agarwal Packers and Movers for the wonderful service! We will definitely use your service in future too.

Warm regards,
Lt. Col Varghese Koshy & family
