Dear Mr. Vijay Agarwal

M/S Agarwal Packers & Movers Ltd.

We would like to express our sincere appreciation for your service to us as one of our regular customers. Over the years, you have provided the best services with even better customer service. Deliveries are often received earlier than expected, and you are quick to resolve any issues that arise.

Since last months we are taking your tracking cube services as per our required load (small size cubes/big size cubes) which are much pleased to us. Tracking cubes ensure us damage free delivery of our consignments. Before it our goods move in open vehicles and there was always a threat of pilferage and damage to articles which is now comes to zero. Hope you will continue to provide such excellent service to us.

Thank you for a favorable working year in business together and we look forward to many more to come.

Warm regards,
