COMPLIMENTS ON EXCELLENT SERVICES RENDERED

Dear Sir,

1. I have reported to Vizag from Surat on Pmt Transer in this month and had the experience to utilise your services for transferring my car and household Goods.
2. It was a pleasant surprise to see a professionalism in a little known field of packing household goods. In brief, all the activities were executed by your men in a surprisingly neat and professional way.
3. The support provided by entire team and Mr Rajesh in person on various occasions due to fluctuating needs and uncertainties of a under transfer family has won special place in our hearts. We wish to keep our association with you in years to come.

Regards
