Dear Team Agarwal,

Sorry for late reply,

This is reference to house hold shifting job through Agarwal Packers, I would like to inform you that I am very satisfied the way your team handle this job and responded in timely manner. It was very smooth shifting without any hurdles.

Packing done by your team for each item was very good. Your team at unloading point was also corporative and done their job properly.

Thanks everyone in your team for support.

Regards,

Prakash Goti
