Dear all,

Below is my feedback and thoughts for APML. "This is the first time I have used the services of Agarwal Packers and Movers Ltd. (AMPL) for my relocation from Germany to India. Right from the process of the first contact to the delivery and final check of my delivered shipment, I am full of praises for AMPL. They have been very friendly in responding to my queries and have always explained the shipment process and documentations very clearly. They organised for the local partner company in Germany and took care of every personal request. The constant and necessary updates that I received from AMPL as the shipment was in transit certainly provided peace of mind to me. Their punctuality and commitment towards the customer is very professional and truly creditable. I have been very happy with the services of AMPL, especially with Mr. Kumar Mukesh and his team (Mumbai team), and would certainly recommend them to others."

Thank you, once again, for your service.

Regards,
Harshal
