Subject: RE: Shipment status

Thanks I recd the shipment and the I wud rate the service as one of the best I have ever seen. Very professional and methodical.

However just like to mention one of my photo frames was recd in a broken condition and the glasses broken. I did not feel like complaining, but since you asked a feed back I must mention this to you.

You may probably take up with your counterpart in Singapore.

Anyway tks/rgds
