**Subject:** Re: RE: RE: Shipment Status

Hello Jahnvi,

I just got the shipment delivered.

I would like to thank the whole team and this was my best shipping experience ever till now. It was the most hassle free shipment I have ever had to deal with and really appreciate the effort. I would definitely recommend it to a friend again. 5 stars for it.

I have not opened the boxes as yet and I just hope nothing is broken which would undo the excellent work by you guys.

Thanks and Regards  
Kedar Karnik
