Dear Janhvi,

Thanks for your email message below.

I am indeed satisfied with my experience with Agarwal Packers, especially with the communication system whereby I was constantly kept informed of the developments regarding my shipment. I would like to make special mention of yourself and Mr. Kumar Mukesh for the special attention provided to me as a customer. And many thanks for the bouquet of flowers presented to me on the day of delivery of the goods.(14.01.2014).

As mentioned, I request you to provide me more information on the CFS charges levied in due course.

Best regards,  
Sanjay Mokashi
