CERTIFICATE

This is to certify that M/s Agarwal Packers and Movers Limited moved my household articles from Secunderabad to Chennai on 14th September, 2015. The whole job of packing, loading, unloading, unpacking and placing of all the items were done very professionally to our full satisfaction.

I would also like to make a special mention of the role of Sri. Francis Patrick of Agarwal Packers, Hyderabad Office. During the entire period he was constantly in touch with me and offered excellent service to ensure that all the goods are delivered properly and in time. This has helped me to settle down in the new place without any hurdle.

My wishes to the entire team for success in all their endeavours.

(C R Sesa Sayee)

Deputy General Manager.
