Dear *Shri Agarwal,*

This is to place on record my appreciation for the excellent quality of services rendered by Agarwal Packers & Movers Ltd., Hyderabad. Recently I relocated from Hightech City to Towli Chowki in Hyderabad. The responsibility of packing, transportation and unpacking was entrusted to Agarwal Packers & Movers Ltd., Hyderabad.

It was a pleasure dealing with Mr. D Sanjay Kumar, State Head, Telangana & Andhra Pradesh. I found him to be extremely cooperative and pro-active in his work. He is experienced and goes out of his way to help his clients. You may like to issue a suitable testimonial to him.

I found the personnel to be very efficient and courteous. I would like to specially mention Mr. Baswa Lingappa, Supervisor who supervised the entire operation. He is extremely capable, efficient and polite in his bearing and work. The company may like to issue a testimonial to him based on my letter of appreciation.

*With Best Wishes*

Yours sincerely,

*R H Khwaja*
