Dear Geetanjali,  
Thanks for all your help, prompt replies and customer support. I am happy that all the goods reached in perfect condition. The customs team of Mr. Viki and Mr. Shyam did a perfect job. The only hitch that I faced was the customs duty, which I was expecting to be zero. It is not your fault but of the APS (Dubai) as they told me that there will be no customs.

Great Team work !!! Keep it up.

Best regards,
