Subject : APPRECIATION LETTER

Dear Sir/Madam,

1. I had a very good experience with Mr. Francis Patrick and his team in transferring of my household goods and vehicle from Hyderabad to Chennai (01 Sep 15 to 06 Sep 15).
2. Mr. Francis Patrick had done fine job by doing prior survey and proper team up for packing and uploading of goods in time as they assured me on the day of survey. Packing and loading of the goods were done in a very professional manner. I received my goods in time without any damage as they assured me. The unloading, unpacking and placing of the goods were also done professionally.
3. My goods were taken in a special Tracking Cube. The cube was locked by me with my personal locks and same was opened by me at the delivery location (Chennai). This was a very wonderful experience ever I had.
4. I would like to appreciate/commend Mr. Francis Patrick and his highly motivated team who undertook the task very excellently. Mr. Francis Patrick had been very prompt and positive at all the time before, while and after the service. Keep it up, Good job done by Mr. Francis Patrick. I wish all the very good success ahead.

With regards
