Subject: Re: FEED BACK MR.RINKU GARG DOCKET NO AHMD 001692/93/94 AHMD TO GURGAON,KASHIPUR

Mr. Rinku Garg of Agarwal Packers & Movers in Ahmedabad has been extremely helpful in booking our order. Our move was slightly complicated as we had two different locations and one was remote, but Mr Garg had promised us that everything would move smoothly and things did. Everything was in order. Our previous experience with the same company had not been very good two years back, when we shifted from Pune to Ahmedabad. We were quite sceptical, but Mr. Garg saw to it that the packing and loading would be of good quality and the company has improved its quality standards. This time we were entirely satisfied and we will not hesitate to recommend the company to others.

He had to come to my house twice and he came at the times I requested and answered all my calls diligently. This shows he is a sincere worker and a great marketing person.
