**Dear Shri Agrawal,**

**This is with reference to my telephonic conversation with Mr. Pradeep Agrawal.**

**People For Animals (PFA) is the largest charitable animal welfare organization in India which runs shelters and adoption programmes for sick and stray animals. We have PFA Units which are working in nearly all the major cities of India.**

**Two of our staff members are trans-locating from Goa to our monkey shelter (Hanuman Vatika) in Gurgaon, and I am grateful that you have agreed to transport their belongings from Goa to Gurgaon free of cost.**

**It is only the compassion and generosity of people like you that makes it possible for PFA to bring help and hope to thousands of needy animals around the country.**

**Thanking you.**

**With best wishes.**
