Dear Shri Goel,

I have recently availed the services of Agarwal Packers for shifting of my household items and my car from Delhi to Hyderabad. I wish to convey my thank and appreciation for the high levels of professionalism displayed by your company staff during packing, transportation and unpacking and delivery at Hyderabad. My all the items have reached in perfect conditions and I didn't have to make any effort during this process.

I would especially like to mention and thank Mr. Rohit Chowdhary, Incharge, House Hold Items, Gaziabad Branch for his high level of professionalism, politeness and eagerness to solve and answer all my queries regarding the shifting process. Right from the day one when he was assigned to our job he has been kind enough to receive and answer our calls even at odd hours. He is a man of excellent manners and very helpful and a type of professional every customer desires and I am sure he must be accolades from many customers of your company. Employees like him ensure the good future of the company. I am going to recommend Agarwal Packers to all my friends and relatives for 100% hassle-free shifting and continued service (if required) even after the job is complete.

With Regards
