with reference to the household materials to be sent to nagpur , we have contacted your office and as per the discussion with your official , the ordered was given to pack and load and unload the said materials through your company.

we are very much satisfied about the support given by your office team and the persons came for packing household items. the items are packed very systematically and with out any wear and tear the materials have reached to the destination.

secondly, it was informed by your office that the said materials will reach in 1 week time and the time limit given by your office was correctly met by your people.

we are very thankful to your office and satisfied with your service.

we will contact your office and will also inform our friends and relatives who would like to avail such service. we will give your reference .

thank you once again.
