Hi Sheetal,

Yes, we received our shipment on Wednesday, 4th June.....the items were all safe and without any damages. We are pleased with the service and I will definitely recommend AGARWAL PACKERS & MOVERS LTD to my friends and family. From the day it was packed from India till it was received in Manila, everything was smooth and flawless.....the entire team is highly professional and know their job well.

(especially Umesh) More so, I want to THANK YOU for your excellent customer service for last 1 ~ months...your regular updates and inputs really helped me track my request on real time.

Thanks,
Fazal
