Dear Mr Johnson,

This is to inform you that the container of my household goods was unloaded at my residence on 13th Feb very safely. I would like to put on record the professional fine handling of the consignment right from packing at my residence in Nairobi by D B Schenker Nairobi team and the Agarwal Packers in Delhi in handling of the consignment at ICD Tuglakabad (Delhi) to the delivery of the goods including unpacking.

Indeed Ms Geetanjali of Agarwal Packers ,who was responsible as a relationship officer nominated, did her job very well especially very effective communication with me all the times.
