Subject: Re: International Relocation from Mumbai to Chicago USA

To: Janhvi Kambli <janhvi.kambli@agarwalpackers.com>

To, Janhvi,

*I was very impressed with Agarwal packers. The entire movement & packing was smooth and the delivery to

my destination in Chicago was as scheduled & promised. I was impressed with the level of detail provided upfront in terms of which material can be shipped & which can't be. Also the periodic status of goods provided

through each transit point was highly valuable.

I give a huge thumbs up for Agarwal packers for all my movements in future"
