**Subject:** Shipment reached - Thank You.

Hi Laxmi,

This is to inform you that I have received the shipment on Jan 12, Tuesday. All the goods reached as it was packed in India :).

I am very thankful to the Agarwal packers and movers for their approach for relocation. Overall, I am very much satisfied with the professional service provided by you all.

Also convey this message to the packing team who did a wonderful job.

Thank You all once again.

Best Regards,
