Dear Agarwal packers team,

I am glad and pleased to say the excellent services that I received from your team and particularly the personal touch provided by Shri Kumar Mukesh who was prompt in his replies and actions.

The packing and delivery was well coordinated at India end and was made in the timelines promised.

I had a very good and trouble free experience as far as Indian operations are concerned.

I am sure the team would continue to make all round efforts and scale newer heights.

Regards,

Dhiren Mathur
