Greetings

Please find attached the feedback for our experience with Mr. Rinku Garg and Agarwal Packers.

The feedback is also pasted below for reference -

Feedback for Agarwal Packers & Movers Ltd

Mr. Rinku Garg, Sr. Marketing Executive, working with M/S Agarwal Packers & Movers Ltd. was assigned the job of assessing the shifting requirements and consequently coordinating/managing the process of shifting the luggage and household material owned by Mr. and Mrs. Sunil Kumar from their residence located at CG Road, Ahmedabad to Vastrapur, Ahmedabad.

Right from the home visit to coordinating the whole moving process, Mr. Garg was helpful, polite, prompt and courteous. We are happy with his management and service. He was always willing to help us, replied promptly to our phone calls, and was always available on phone (even after the working hours), during the whole process.

We wish him well in his future endeavours. We are also quite satisfied with our overall experience with Agarwal Packers and Movers. The staff was forthcoming and honest, and helped us pack well.

With Regards

Mrs. Ritu Sunil Kumar
