Subject: Re: Quote1698 for Movement of household goods from New Delhi to Singapore

To: Ritu Wadhera <international_delhi@agarwalpackers.com>

Dear Ritu

Thank you for all your help in coordinating the packing and moving of goods from Delhi to Singapore within a short time. I appreciate the notifications from time to time that helped me track the movement of the goods.

Your coordination with the local vendor ensured timely delivery of goods in good condition. APML has delivered very good service. Thanks for all the support.

Sandhya
