Dear Abhishek!

Good Morning! It is my pleasure to inform you that you have done a great job for releasing my shipment from customs as well as delivering to my house in very safe manner. I was not expecting that you will deliver it on Friday and it was really surprising. Even Sarita mam was also taking great effort and care to deliver it good condition. Tell my thanks to her also as well as all their staff as well. By the by I found my IKEA top and bottom pieces. At this juncture I must say, the packing was also done in very professional way and I will definitely recommend to all my friends to utilize your services. Once again thanks to all your staff who has put this great effort.

Regards!

Venkateswaran
