Hi Navdha,

Good Afternoon, I hope you are doing well.

I am writing this long due feedback for the services provided by Agarwal Packers and Movers Ltd to us. We used the services from Agarwal Packers and Movers for moving our household stuff from Gurgaon, India to London.

It was my/our first experience to use services from Agarwal Packers and Movers and with great pleasure I can tell that it was 'AMAZING' !

Right from home visit by Mr. Viki, service coordination by Ms.Navdha until delivery to the door in UK, it was excellent :)

I would like to also thank you for the exceptional service that you provided us while dealing with another fraudulent packers.

The complete service was time bound, high quality packaging, very well handled and yes of course it was 'doortodoor'. It was also cost effective for us.

I highly recommend the services from Agarwal Packers and Movers to anyone who is planning to move the household stuff internationally or locally.

Please convey my/our thanks to your entire team, locally and to partners, including the ground staff that handled the packaging and entire consignment with great care.

Delighted with the truly professional service !

Thanks,
Kapil Singla
