Hi Janhvi

Sorry was busy setting up the things. Appreciate the entire process, your Delhi packing team did an excellent job. You And Mr Mukesh was responsive and we appreciate the step by step info shared by you at various stages to keep us updated about the movement.

Also, pls share the account details where you want us to make the payment. We will pay in INR only. Once again, it was lovely dealing with you all. Keep up the good work.

Thanks

Hina
