Dear Sidheswar,

I have booked some Items from Bhubaneswar to Hyderabad on 8th August & My Car on 10th August. I received frequent calls

regarding status of the consignment & also expected time of Delivery. After delivery also I got the call like follow up call whether Materials are reached intime with good conditions.

In addition to that, whenever I called to Bhubaneswar office (Mukesh, Rakesh, pradhan) & enquired regarding my consignment, they have also responded to me irrespective of time.

Thanks for your services.....

*Regards,*
