Dear Janhvi,

Thank you for all the cooperation extended in Mumbai towards clearing and delivering our personal cargo which arrived from Dubai.

Me and my Wife appreciate all the cooperation extended by you. You were very prompt in answering to all our queries and you have extended all possible help specially when the goods were delivered at our residence.

We also need to thank your delivery personal who did a splendid job by taking utmost care of our goods. They were also qualified in reassembling and fitting the furniture. They were courteous and have done a very good job.

On the whole we would like to thank AGARWAL PACKERS for their utmost professionalism. We would use and recommend your company in future needs.

Regards,

Kishore & Shubhangi Rao
