**LETTER OF APPRECIATION**

1. My Household goods were recently moved from Hyderabad to New Delhi by M/S Agarwal Packers and Movers Ltd.
2. The shifting has been one of the most hassle free so far. The task of packing and moving was done meticulously and despite the long distance of the move, I received all the goods without any damage. It is especially noteworthy that each activity was undertaken exactly as per my requirement and on time. The delivery of both the household effects and the car were made before the promised date.
3. I would especially like to commend Mr Francis Patrick and his motivated team of workers who undertook the task with exceptional professionalism. The response of Mr Francis has been very prompt on every issue linked with the move. His motivation, efficiency and involvement with the task is laudable. I wish him, his team and Agarwal Packers and Movers Ltd all the very best in all their endeavour's.

With warm regards,
