Movement of Household goods from Ghaziabad to New Zealand  
To: Ritu Wadhera <international\_delhi@agarwalpackers.com>

Hi,  
I would like to confirm that y'day I got my shipment custom cleared (30mins and \$46) and then paid for port charges and got my shipment home.  
The packing looked very professional. My family is arriving tonight and we will start to unpack goods from next week. I hope there is no damage.  
I must thank you all for the best of service provided and though I was not in the country, the whole process was very friendly and customer friendly.  
Thanks a lot for making our move from India to New Zealand a pleasant experience!

Thanks & regards,  
Rohit.

Dear Mr. Goel,  
We have opened all our boxes and I must say, all the packing was excellent. There is absolutely no damage, not even to the large photoframe of our daughter which had thin glass. TV, all crockery items, temple etc. all are in perfect condition.  
The whole experience of shifting was very nice. Thanks a lot for everything.

Thanks & regards,  
Rohit.
