LETTER OF APPRECIATION

This letter of appreciation is being given by me in person to Mr. Aniket Jain, who in his capacity as the Senior Marketing Executive for Agarwal Packers and Movers (Goa Branch) has ensured smooth and timely packing of my households and vehicle. His positive response to my frequent changes of scheduled departure was noteworthy. Mr Aniket has a very positive attitude and his ability to deal with changing situations and his convincing powers compels me to dispatch this letter.

With this I would like to wish him a very good luck for his future endeavours.

Thankyou Very much for your help Mr. Aniket
