M/s. Agarwal Packers & Movers Ltd, Lucknow

This has reference to my request soliciting your services for movement of household goods for myself from Lucknow to Udaipur.

Since I was not physically present in Lucknow, it was my special request to Mr. Deepak to organize the pick up from the showroom directly and ensure safety and accuracy.

I wish to convey our heartfelt gratitude to M/s. Agarwal Packers & Movers Ltd, all the staff who extended their co-operation specially to Mr. Deepak Kaushik, for his prompt response to all my queries and for positive approach. He went out of the way in ensuring that everything gets done the way I had planned for.

I wish to confirm that the entire households has reached safely without any damage within 7 days even by covering the distance of over 1300 kms.

Thanks to one and all of your esteemed organization for their co-operation.

Thanking you,

Warm regards,

Syed Asad Gauhar
