

Trucking Cube Assures Zero Transshipment Gets an Investment of 100 Crores From Agarwal Movers Group

DELHI, India, March 13, 2016 /PRNewswire/ --

Agarwal Movers Group the Relocation experts announced it investing 100 crore in **Trucking Cube** which is changing the way packing and moving is carried in the country. A study carried over years by Agarwal Movers Group has shown that the country yearly sees a damage of over 42,000 crore in transshipment due to surface logistics. Trucking Cube assures safe-delivery of goods with Zero Transshipment, Zero Damage, Zero Loss to its house-hold and commercial customer.

Trucking Cube along with providing Zero Transshipment, is protecting the commercial goods from "expiring before the expiry date". The goods are transported in 'cubes' exclusively assigned to them avoiding any rancidity. This problem is more prevalent in food and pharma industry and has a direct impact on the health of the consumer and can prove fatal for the brand's name. The cubes come in six sizes - 4, 6, 8, 12, 16 and 20 feet.

"Trucking Cube assures Zero Transshipment, improved efficiency by 200% and 6% reduction in the packaging cost. The 100 crore investment will be made over the next three years to grow the ecosystem and the number of cubes to 10,000 from 2,000 cubes said," **Mr Ramesh Agarwal Chairman, Agarwal Movers Group.**

He further added, "Brands take years to build its reputation and choosing the incorrect logistics partner can ruin the built reputation overnight. Similarly Household goods is built with lifesaving, the packer and mover carries the 'emotions' -it is important for the customer to know and understand the value brought by its transport partner."

Agarwal Movers Group will move 100% to Trucking Cube by July 2016.
