TO WHOM SOEVER IT MAY CONCERN

This is to certify that Agarwal Packers and Movers Ltd have moved my household luggage from Secunderabad to Chennai (Tamilnadu). They have done an excellent job in packing, loading, moving, unloading and unpacking the household items. They have also moved my Motor Car from Secunderabad to Chennai. The total relocation was done in the most professional way from the planning to the execution stage.

Mr. Francis Patrick has taken a lead role in negotiating, organising the entire job. His professional approach, positive planning, organising and execution is appreciable and made us tension free during the entire process.

I wish Agarwal Packers and movers and the entire team all the best in their future endeavour.
