Subject: Letter of Appreciation

Dear Mr Patrick,

I had nice experience dealing with you in arranging movement of my household goods & car from Hyderabad to Meerut in the month of June-July. The goods were loaded on 27th June as planned, in a professional way and your personal visit on 27th June to oversee the loading is worth praising. You had taken personal care in giving me comfort assuring me about goodness of your company and hassle free service. I received goods without any damage on 03rd July as promised. Unloading crew also arrived promptly. You had been talking to me almost daily and giving feedback about movement of truck /trailer. The car was also delivered without any damage and I am happy about all this.

M/s Agarwal Packers and Movers Ltd service is very good may be due to dedicated persons like you and of course management of the company also must be good. I hope with introduction of GPS based tracking, the services will further improve. I look forward to again avail the services of your company in the years to come.

I wish you all the success in your career ahead,

With best wishes,

Yours sincerely,

Bansal
