Dear Agarwal Packers and Movers,

It has been an awesome experience while using your logistics services to transport my household recently from Ahmedabad to Jamnagar.

Since my timelines were very tight, I was wondering if such a speedy transfer of stuff is possible or not. However on the suggestion of one of my friends, I called Shri Rinku Garg, who asked me valid questions which followed with detailed quotations. Everything was found to be systematic and arranged.

The effort put by the packing team was really noteworthy. All the items including crockery and glass tables were very nicely packed and secured in different types of covering.

The team involved in loading and unloading was very professional and really quick.

All in all the experience has been very satisfying and i really appreciate the services of APM.

All the best and regards.
