TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/S Agarwal Packers and Movers Limited have moved my household effects from Secunderabad to Chennai on my relocation. They have done an excellent job in packing, loading, moving and unloading the household articles (for which we have an emotional attachment) with extreme professionalism and extreme care. The articles have arrived on time and safely.

Shri. Francis Patrick Field Officer, was the person who has taken care of everything from the beginning to finish with precision and extreme care. He has taken care of every minute detail in the process of shifting and kept following up with us until the goods reached Chennai and unloading and packing was done. Hats Off to his professional ability and CUSTOMER CONERN. He is an asset to an organization.

I would like to place on record the excellent services rendered by Agarwal Packers and Movers Ltd. and wish the entire team all the best in their future endeavors and keep up their high standards in packing and relocation.
